Summary

Passionate UI/UX Developer with 2+ years of experience in designing intuitive, user-centered digital experiences. Skilled in wireframing, prototyping, and frontend development using Figma, Adobe XD, HTML, CSS, and JavaScript. Strong foundation in Computer Science with hands-on expertise in building scalable web applications.

Education

Silver Oak College of Computer Application (SOCCA), Silver Oak University June 2023 – January 2027
Bachelor of Science in Computer Science & Information Technology *GPA: 8.00/10.00*

Centre for Development of Advanced Computing (C-DAC) Dec 2023 – Nov 2024
Advance Diploma in Multi-media *Grade: A+*

Centre for Development of Advanced Computing (C-DAC) May 2023 – June 2023
Certificate in Computer Concept *Grade: A*

Experience

Stenzo Tech Jun 2025 – Present
UI/UX Developer *Ahmedabad, Onsite*

- Creating intuitive, user-centered digital experiences with a focus on wireframing, prototyping, and usability testing using Figma and Adobe XD
- Designing responsive interfaces and collaborating with developers to ensure seamless implementation
- Bridging design and development using frontend technologies (HTML, CSS, JavaScript)
- Exploring emerging technologies like AI and cloud integration to deliver clean, modern designs

DMG GROUP Mar 2023 – Jan 2025
UI/UX Developer Intern *Ahmedabad, Onsite*

- Designed user-friendly and visually appealing interfaces; created wireframes, prototypes, and layouts using Figma and Adobe XD
- Contributed to user research and usability testing to improve product experience and functionality
- Created responsive and engaging digital assets for web and mobile platforms
- Gained exposure to real-world project workflows, design thinking, and cross-team collaboration

Projects

Pulse AI | *Lama, Javascript, NodeJS, ExpressJS, MongoDB* October 2024

- Developed a healthcare-focused platform that acts as an intelligent intermediary between doctors and patients, enhancing patient care through predictive insights.
